

Houston EWIConnect

September / October 2022

From Our President

I am very excited, honored, and proud to be the 2022-2023 President of EWI of Houston – for the second time. It's been 20 years since I held this office and I'm even prouder today. I've seen many changes throughout these many years, but one thing that has stayed consistent is the purpose of EWI – the three C's – Connections, Careers, and Community. We continue to make excellent Connections, advance our Careers, and serve our Community thru our scholarship programs and philanthropy projects.

My logo this year is Building Blocks – we will rebuild our chapter by encouraging every representative to help increase our membership by bringing in at least one new member. We also need to nurture our membership through Mentor/Retention. This year, the entire chapter will be on the Membership Committee!

My theme is T E A M: Together Everyone Achieves More:

TOGETHER - we will continue to focus on our member firms by recognizing anniversaries, having at least three firm nights, featuring a firm in each CONNECT, feature a member firm at each monthly meeting giving us the opportunity to put a face with the firm, and encourage members to host a table. Continue to encourage better participation.

EVERYONE - benefits from making CONNECTIONS at our monthly meetings, by attending the TEXOMA Board Forum, and attending LCAM. Share the excitement of being committed and involved in EWI.

ACHIEVES - by serving our Community through fundraising to benefit our scholarship programs, EWISP and ASIST, we help others ACHIEVE their dreams of an education and improve their personal goal of helping themselves and their families. Our Philanthropy committee benefits many worthwhile organizations in our community.

MORE - as we work together as a TEAM, each of us will gain more confidence as we share our enthusiasm for EWI which encourages us to continue to enhance our professional life, our personal life, and achieve a high level of satisfaction of a job well done! Professional Development is offered thru EWI Corporate with many web seminars throughout the year. Our chapter has interesting speakers several times a year as well as Professional Development articles in the CONNECT.

It is the goal of every President to encourage better participation of our representatives by attending chapter meetings, helping with philanthropic projects, getting involved with our Reading Rally, and supporting our B/C/D programs.

With all of us working together as a TEAM, I'm confident we can achieve Chapter of Excellence. This award is presented to qualifying chapters each year at LCAM. Growth of our Membership is the key.

My door is always open – please let me know if you have any questions or concerns regarding our Chapter this year. It's what we accomplish together that will keep our Chapter strong, successful, and united.

EWI of Houston Chapter September Meeting Recap

Submitted by Sanela Hasagic, representing Lockwood, Andrews & Newnam, Inc.

Our September Chapter Meeting was held on September 8, 2022, at the fabulous Morton's The Steakhouse Galleria. The September Meeting is always a very special evening for EWI representatives – it's an Annual Business Meeting and Election of Officers. The networking hour was full of energy, great conversation, and laughter.

Our President, Shari Schiffman, representing Douglas Elliman Real Estate, welcomed everyone and called the meeting to order. Shari invited Cindy Joutraw, representing CenterPoint Energy Inc., to read the Principles and Voting Rights. After that LaTonya Perez, representing The Rose, conducted the roll call. The business meeting went smoothly; we voted on the 2022-23 slate of Officers and Directors; went over verbal and written reports; voted on the 2022-23 budget, and the Nominating Committee members.

Priscilla Massey, Sustaining Member and Past President, delivered a beautiful invocation after which

we enjoyed our dinner. Our dinner menu included Classic Caesar Salad; for entrée we had the choice of Filet Mignon or Chicken Christopher accompanied with Mashed Potatoes and Green Beans; and a delicious dessert selection of New York Cheesecake and Chocolate Mousse.

After the dinner, President Shari Schiffman introduced the guest speaker, Karen Pena. Karen is a professional wing rider and national aerobatic champion. Karen learned to fly at a very young age. She started Wing Riding in air shows at the age 18 and began flying aerobatic competition in her 20's. Karen won the Sportsman National Aerobatic Championship in 1994. Karen's life story is an adventure; it's an

inspiration; it shows us how passion, patience, focus, and engaging others can motivate us during the most challenging times. What an amazing life story!

After Karen's presentation, our Fundraising Director Patti Strawther, representing James J. Postl Interests, held the drawing for the fabulous door prizes; we had many lucky winners:

A WING & A PRAYER
By KAREN PEÑA / September 8th

On September 8th EWI invites Karen Peña to speak about her adventures as a **Professional Wing Rider and National Aerobatic Champion.**

Karen's timely talk focuses on teaching her audiences how to find inspiration in today's world.

Her motto is **Aspire to Inspire.** She believes that everyone can have the heart of a Champion and find inspiration at any point and time in their life.

EWI of Houston Chapter October Meeting Recap *Submitted by Carole Pitts, representing John Daugherty, Realtors*

The installation of a new Board is always a very special meeting. New beginnings, excitement for the year to come, and gratitude for the year that has been. This year's installation exceeded all expectations! There were nine past presidents, several guests and executives in attendance, which along with the Chapter's representatives, made for a very festive evening.

Our venue, The Ballroom at Tanglewood, was beautiful. Stephanie Howard and her team had made thoughtful changes to the space. It was light and bright, and very current. Stephanie shared with me that not only were the two meeting spaces on the main level popular, but there are smaller meeting spaces on the lower level that are very much in demand. The Ballroom at Tanglewood was a very generous host as we had an open bar, and they decorated each table with a beautiful centerpiece. We enjoyed passed hors d'oeuvres during the lively networking hour.

Shari Schiffman, representing Douglas Elliman Real Estate, called the meeting to order and welcomed everyone. She said that serving as our Chapter's 2021-2022 President had been an honor and a privilege for her. Shari called LaTonya Perez, representing The Rose, to the podium to give a recap of LCAM. LaTonya told us about the fabulous speakers and the incredible networking opportunities there were. She also let us know that LCAM in 2023 will be in Chattanooga, Tennessee, the "Scenic City."

Shari then invited Margo Faulkner, representing Sewell Automotive Companies, to give the invocation, after which we enjoyed a delicious dinner and visited with our table mates.

Delynn Walker, individual member, then took the podium. I personally, as I am sure others were, was very excited to hear what Delynn had in store for us. And she delivered in a huge way! She first thanked and congratulated the 2021-2022 leadership team, with Shari Schiffman at the helm, for facing challenges with courage, tolerance, and awareness. Delynn let us know that she likes to have a little fun while at the podium, and so she had assigned a popular chocolate candy bar to each of the incoming leadership team members. She said that just as each candy bar has different ingredients, each officer has different duties. Although each candy bar is unique, they all share one common ingredient - chocolate. Likewise, the new officers and directors share the same goal for the Chapter and that is continued success. Below are the chocolate bars that she assigned to each board member and the reason behind each choice.

Director-at-Large, Linda Petticrew, representing Shell Energy Resources Company: MOUNDS, because of the mounds and mounds of scholarship applications she will go through!

Fundraising Director, Rebekah Wesley, representing Jackson & Company: ALMOND JOY, because oh what a joy it will be when she raises all that money!

Communications Director, Sanela Hasagic, representing Lockwood, Andrews & Newnam, Inc.: WHOPPERS, because she will always be on the lookout for a whopper of a story for the Connect!

Program Director, Debra Crabtree, representing Westpark Communications: TOOTSIE ROLLS, because when she is content that she has given it her best . . . just roll with the flow!

Membership Director, Cindy Baker, representing Black Haw Group: BUTTERFINGER, because we know that she will not let one prospective member slip through her fingers!

Sergeant-at-Arms, Carole Pitts, representing John Daugherty, Realtors: SNICKERS, because that should serve as a reminder to keep snickering people under control!

Secretary/Treasurer, Margo Faulkner, representing Sewell Automotive Companies (since she is wearing two hats, she had two chocolate candy bars assigned). As Secretary: WHATCHAMACALLIT, because if she gets distracted during a board or business meeting, she might find herself thinking, "Whatchamacallit made that motion!" As Treasurer: 100 GRAND, because that will help her with her financial duties!

Vice President/President Elect, LaTonya Perez, representing The Rose: NESTLE CRUNCH, because in a crunch, she will be called on to preside at a meeting!

(And the best for last!) President, Kay Bart, representing Skerl & Associates: PEANUT M&M's, because she must be a little nutty to take this job again!

We all laughed so hard! Installations have traditionally been a little solemn and it was so nice to have some humor at this occasion. Delynn did a wonderful job!

Shari then called on two past presidents to say some words about our new President, Kay. Kori Peters, 2014 President, and Marji Zamora, representing Speedy Printing – Katy Freeway, 2018 President. Kori and Marji's words were profound and meaningful, and very touching. It reminded all of us how lucky we are to have someone with Kay's wisdom and passion for EWI at our helm. Marji also brought a fascinating fact to our attention. Kay has served as mentor to both her predecessor, Shari, and her successor, LaTonya. Wow!

Shari then turned the meeting over to our new president. Kay recognized and thanked her executive, Damir Skerl, and his wife Zee (who were in attendance) both for their support and for their friendship. She shared that her theme and goal for the upcoming year will be T.E.A.M., Together Each Accomplishes More! Building our EWI of Houston team by recruiting active representatives and valuing the existing members of our team who work so hard.

Kay then turned the meeting over to the 2021-2022 Fundraising Director, Patti Strawther, representing James J. Postl Interests, who conducted the door prize drawings for fabulous door prizes. Many exclamations of delight were heard from the winners.

Patti then put on her other hat, the 2022-2023 Philanthropy Chair, and announced that our November chapter meeting would feature Blue Santa! That concluded the wonderful evening.

LCAM Recap

Submitted by LaTonya Perez, The Rose

To me LCAM brings the vision and mission of EWI to life. My personal EWI why has always been focused on scholarships and all the philanthropic work we do within our community. At LCAM this year I was able to see the personal and professional development opportunities that LCAM has to offer and has been delivering year after year.

We had some amazing speakers and lots of great discussions. Our Keynote Speaker was Jill Christensen and she spoke in detail about her book *If not you, who?* How to crack the code on employee/volunteer disengagement. We are all responsible for the success in EWI and Jill did a fabulous job on reigniting the passion I personally have for volunteering and giving my best to

create a collaborative environment. The Time Management and Canva breakout sessions gave great tips and tricks that we can all share with you in more details. My favorite part was the 2-day AOL training *Think like a Genius*, it was phenomenal. We talked through different ways to increase your personal intelligence, identified various learning styles as well as who you can benefit from each style and any challenges that may come up when working with people who have a different learning styles. We also dove into ways to create a culture of volunteer engagement and inspiring creativity as Volunteer Leader in our communities.

My takeaway for the AOL breakout groups was that “if you are not prepared to be wrong you will never come up with anything original and it’s not a failure – it’s just one step closer to success” The Gala was awesome, we all were excited to see our very own member firms take home Lucille Johnson Perkins awards: *Amegy Bank won Large Member Firm and Speedy Printing – Katy Freeway won Small Member Firm.*

We are so excited to see Houston Shine!!! With this being my first in person LCAM to attend, I enjoyed getting to spend time with our chapter members and creating lifelong memories with my forever friends!! LCAM was great and we will be in Chattanooga next year and I would love for us to have a larger group go next year. Join a corporate committee and get involved – share your ideas and let’s be a part of EWI Corporate success!!
